Howdy, mrswallow 🥰 🔾 A My Sites Birdwell Year 4 🖍 Customise 📮 0 🛨 New + Upgrade Blog Birdwell Year 4 Welcome to our blog Online learning: Work submitted from home VIPERS Reading scheme Online links How to guides Homework Weekly activities Monthly Archives: February 2022 Categories Art Computing Computing Edit Design Technology Extra Curricular Posted on 17th February 2022 by birdwellmrmathieson Geography This afternoon, we became IT experts! History Homework For our computer session we learned about **how** computers worked. We looked at the different symbols in a flow chart Lockdown Challenges and how they are used. Maths Music Physical Education • Start/end – An oval represents a start or end point. • Arrows – a line is a connector that shows relationships between the shapes. PSHE • Decision – a diamond indicates a decision. Reading Religious Education • Process – a rectangle represents a process. Science We used our knowledge to put together a flow chart for making a cup of tea... safe to say I will be avoiding some of them STEM learning in class! Working From Home Writing Search ... Search Posted in Computing | Leave a comment Science experiment Edit Posted on 11th February 2022 by birdwellmrmathieson This afternoon, we were under a spell from the White Witch. She sneakily, gave us enchanted hot chocolate. Our job was to get as much enchanted hot chocolate out of the water as possible. We worked scientifically and used some of the following pieces of equipment: Sieve • Filter paper Measuring cylinders • Funnels Pipette We found that the filter paper worked best but it was a very slow process and it didn't even remove ALL of the enchanted hot chocolate! At the end, Mr Mathieson showed us that by boiling the hot chocolate it would evaporate and once cooled down turn into condensation and then back to a liquid of purified water! Posted in Science | Leave a comment Maths challenge – STEM Edit Posted on 4th February 2022 by birdwellmrmathieson This afternoon, for our STEM challenge we were set with a task of 'breaking the code'. To break the code, we had to work in teams and answer the questions that were hidden around the classroom. Check us out, we had so much fun! Posted in Maths, STEM learning | Leave a comment A very special visitor! Edit Posted on 1st February 2022 by birdwellmrmathieson We've had a very special visitor in our class today!
