MONDAY MATHS

BY RICHARD YEO 3 ON 2 JUNE 2020 ● LEAVE A COMMENT ● EDIT

Hi guys & J, I hope you are all doing ok!

Don't forget to read over some of your home learning so I can see what you've been up to!

Here's some more maths to try:

Rounding Decimals

BEAT THE TEACHERS QUIZ 3

BY RICHARD YEO 3 ON 2 JUNE 2020 ● LEAVE A COMMENT ● EDIT

The quizzes now next week and normal effort mark. Let's see if the tables can them this week? We have introduced a new category this week, Highwayman Quotes. Can you identify who said what? Also, I've included some of the extra and extra challenge questions that I've added over the years. Good luck, Eddie. Can a mail them when I get the chance to see how well I know one of them. A friend from past but in the same form?

Zoom meeting ID: 946 5718 3074

Password: quiz

Where you log into Zoom this time, please use your year group at the beginning of your name. Eg. Year 7 Richard Yeo 3 or Year 8 Richard Yeo 3 and after each 40 minutes (this time, log out from 1-15 onwards).

Zoom will then send a separate desire to access the flu hand and click it will let you.

Good luck kids!

THE HIGHWAY RAT

BY RICHARD YEO 3 ON 2 JUNE 2020 ● LEAVE A COMMENT ● EDIT

The Highway Rat is a picture book by Julia Donaldson which was made into an animation film in 2017.

If you have the book at home, read it and compare it to the original Highwayman poem. How is it similar? How is it different? Do you prefer the story or the poem?

Which is the universe film which can be found on BBC iplayer, use the link below.

https://www.bbc.co.uk/iplayer/episode/b07f6c73/the-highway-rat

Imagine that the highway rat stocks a different creature he who is in the book. What might he see and have there?

Can you write your own story in the same style? See below for your example of the poem to help you.

Highway Rat - example text
