Football Presentation

Posted on March 22, 2021 by birdwellmrsrees Standard Respond

Today, we had a very special presentation at school. Oliver-Jay was presented with his tie to celebrate being chosen as part of the Barnsley School Boys football team. He is a wonderful role model – not only for football but also in his school work and for his impeccable behaviour and attitude. We wish him luck for his future.

Even more impressive that this was written during lockdown.
