Wow, what a lovely first week back! I have really enjoyed getting back into the swing of things and what a great class you are! Thank you for making this week so lovely!

We have started our final unit on our locality topic and we're now looking at what it is like in France (our nearest European neighbour) and have been finding out some interesting facts.

We have been working so hard using coordinating conjunctions to join sentences together in Literacy and spotting patterns in addition and subtraction calculations in maths. We've even managed to do some science on rock features and learned all about Diwali – what a busy week!
