VIPERS READING

SEPTEMBER 30, 2020 BIRDWELLMRBENNETT LEAVE A COMMENT EDIT

In school, we use the VIPERS reading scheme to help with our reading comprehension and skills. If you would like some examples of the types of questions you can ask your child when you are reading with them, I have attached the document to help with questioning.

DECORATING OUR POTS

SEPTEMBER 29, 2020 BIRDWELLMRBENNETT LEAVE A COMMENT EDIT

During our topic lesson, we decorated our clay pots. Some of us carefully painted our pots using black paint whilst some of us used a fine black felt tip.

YEAR 5 HOMEWORK 25.09.20

SEPTEMBER 25, 2020 BIRDWELLMRBENNETT LEAVE A COMMENT EDIT

For your homework this week, I would like you to research **two other** Ancient Greek gods and goddesses of your choice and create a fact file on them. I have uploaded an example (thanks to Maggie) of how we set this out in our topic lesson this week.

Below are your spellings for this week. Good luck and I look forward to hearing about the gods and goddesses you have researched.

Facts About Greece

Greece is a country in the south-east of Europe. Mainland Greece shares its borders with Albania, Turkey, North Macedonia and Bulgaria It is often referred to as a crossroads between Europe, Asia and Africa.

Greece enjoys 8,479 miles of coastline with a vast number of islands dotted throughout the Aegean, Ionian and Mediterranean Seas. The largest island is Crete, which is a popular holiday destination for tourists.

Average summer temperature:	33°c	Average winter temperature:	10°c
Average summer rainfall:	6mm	Average winter rainfall:	65mm

Greece has a warm, sunny climate and enjoys more than 250 days of sunshine a year on average. It has a typically Mediterranean climate with hot, dry summers and mild, rainy winters. Most people consider Greece to be a summer holiday destination, although there are also popular ski resorts in the mountainous regions to the north of Athens.

Eighty percent of Greece consists of mountains or hills, making it one of the most mountainous areas in Europe. Mount Olympus is the highest peak in Greece, measuring 9754 feet high. According to

CLAY POTS

SEPTEMBER 17, 2020 BIRDWELLMRBENNETT 1 COMMENT EDIT

Today, we made our own 'Ancient Greek' pots using a coiling technique. Here are some pictures of us starting our pots off and some of the finished products.

BECOMING ARCHAEOLOGISTS!

SEPTEMBER 15, 2020 BIRDWELLMRBENNETT 1 COMMENT EDIT

Today, we took our learning outside and became archaeologists, discovering pieces of 'Ancient Greek' pottery. We had to dig to find the missing pieces of pot and carefully piece it together. Here's how we got on.

HOME LEARNING

WELCOME TO YEAR 5!

SEPTEMBER 4, 2020 BIRDWELLMRSONEILL LEAVE A COMMENT EDIT

What an amazing first week we've had. All of the class have come back to school and worked extremely hard, we are definitely in for a good year!

Our first topic is Ancient Greece and we will be using the enquiry question, 'How have the Ancient Greeks influenced the world today?' The topic map is attached if anyone would like to see what is coming up in our topic!

Homework will be set weekly on the blog starting from next week and will include weekly spellings to learn. This will we be set Friday-Friday.

Our P.E day has now been confirmed and this will be on Monday afternoons. If anyone has any questions/queries, don't hesitate to email me.
